Pokémon™ Shield
Pokémon™ Sword

A new generation of Pokémon is coming to the Nintendo Switch system. Become a Pokémon Trainer, embark on a new journey in the new Galar region, and unravel the mystery behind the Legendary Pokémon Zacian and Zamazenta! Explore the Wild Area, a vast expanse of land where the player can freely control the camera. And participate in Max Raid Battles in which players will face off against gigantic and super-strong Pokémon known as Dynamax Pokémon.

AVAILABLE NOVEMBER 15, 2019

The Legend of Zelda™: Breath of the Wild

Step into a world of discovery, exploration, and adventure in The Legend of Zelda: Breath of the Wild, a boundary-breaking game in the acclaimed series. Travel across vast fields, through forests, and to mountain peaks as you discover what has become of the kingdom of Hyrule In this stunning Open-Air Adventure. On Nintendo Switch, your journey is freer and more open than ever. Take your system anywhere, and adventure as Link any way you like.

Super Mario Odyssey™

Explore incredible places far from the Mushroom Kingdom as you join Mario and his ally Cappy on a massive, globe-trotting 3D adventure. Use amazing abilities—like the power to capture and control objects, animals, and enemies—to collect Power Moons so you can power up the Odyssey airship and save Princess Peach from Bowser's wedding plans!

Fire Emblem™: Three Houses

War is coming to the continent of Fódlan. Here, order is maintained by the Church of Seiros, which hosts the prestigious Officers Academy within its headquarters. You are invited to teach one of its three mighty houses, each comprised of students brimming with personality and represented by a royal from one of three territories. As their professor, you must lead your students in their academic lives and in turn-based, tactical RPG battles wrought with strategic, new twists to overcome. Which house, and which path, will you choose?

Supporting a fun environment for your child's gaming experience.

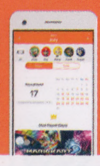

As a parent, it's not always easy to keep an eye on your children's time spent with entertainment devices. The Nintendo Switch Parental Controls smart device app is a free smart device app which you can link with Nintendo Switch to easily monitor what and how your children are playing.

A Nintendo Account belonging to a parent or guardian over 18 is required. See the official Nintendo website for details.

Is my child playing too much?

Monitor your child's play time

You can set limits on how long or how late the Nintendo Switch system can be used each day. When the time limit has been reached, an alarm notification will pop on-screen.

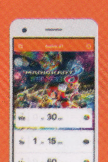

What kind of games is my child playing?

Monitor what your child is playing

See reports that show at a glance which games were played and for how long. In addition to seeing what happened each day, a monthly summary report can also be sent via push notification.

If you do not have a smart device you can also set certain restrictions on Nintendo Switch directly.

Is my child playing appropriate games?

Restrict features easily based on your child's age. It's also possible to set restrictions for each feature individually.

You can set restrictions on:

- What games your child can play
- Posting screenshots to social media
- Communication with other users such as posting messages or images
- Restrictions for purchasing products and services on Nintendo eShop can be set from your Nintendo Account settings

The Nintendo Switch Parental Controls app does not include settings for the Nintendo Switch Online app. To set restrictions for the Nintendo Switch Online app, please refer to your smart device settings.
